PRIVATE PERSIAN CARPET COLLECTION

GERMANY · EUROPE

Rare Persian carpets — curated for the European market

The Collection

This catalogue documents a private selection of hand-knotted Persian carpets assembled for discerning European collectors, interior architects and private clients.

Every piece is recorded individually: origin, weave, knot density, materials, age and condition. The record is completed by the supplying gallery and retained by MiLAEDiA as the authoritative description of the piece at the moment of acquisition.

COMPLETING THIS CATALOGUE

- I Open this file in Adobe Acrobat Reader (free), Apple Books, Preview, or any modern PDF reader on phone or computer.
- II Type directly into the shaded fields. Every field on every plate remains editable and readable after saving.
- III Complete one plate per carpet. Leave a plate blank where no piece is offered — do not delete pages.
- IV Save the file and return it. Prices and dimensions are left deliberately empty and are to be stated by the supplier.
